EUTOPIA

Aim of the mobility, motivation and expected impact – max. 1 page

[Describe the goal of the proposed mobility, justify the choice of the Host Institution/tutor, areas of knowledge and best practices sharing, as well as the planned activities and timeframe. Explain how these activities align with the development of you career plan and how the Mentorship Mobility and, more specifically, the tutor will contribute to an increased connectedness within the Research Management areas of the consortium.]

EUTOPIA

Estimated cost of the mobility

[Provide the estimated cost of the mobility covering accommodation and travel expenses. NOVA will apply its own expenditure policies for these mobilities, as described in the Regulation. Please contact nova.research@unl.pt to learn more about the financial support procedure.]

Additional mandatory documents

- **The Letter of Invitation from the Host institution**

The Letter of Invitation must be signed by both the tutor and an authorized representative of the Host Institution, confirming that the Mentorship Mobility can be undertaken on the given dates, and acknowledging that the proposed activities are feasible within the timeframe provided (1 page, to be sent together with the application form as a single PDF).

- **The Letter of Institutional Support**

The Letter of Institutional Support (template provided in Annex 2) must be signed by the hierarchical responsible, from the applicant's home university, confirming that the applicant is authorized to undertake the mobility during the specified period. This letter will be sent together with the application form as a single PDF.

- **Curriculum vitae of applicant**

The CV (max. 3 pages) should highlight the applicant's involvement in Research Management and Health-related projects. The CV will be sent together with the application form as a single PDF.
